

Coronavirus Response: **STATUS of CAMPUS RE-OPENINGS**

Our recent campus re-openings have been going well, so we are looking forward to more re-openings next week. The plans remain the same as previously communicated, but please read through them below as a reminder of what to expect. **All of our re-opening plans are still subject to change, depending on any further developments. Any COVID-19 case on campus could immediately change our plans.** That said, we are planning on these April 12 changes:

April 12, 2021

ACTIVITIES & FITNESS AMENITIES:

- Staff-led and resident-led activities will resume with limited capacities, in accordance with the Governor's guidance and Village room capacities. Some common spaces will remain closed. Outdoor venue capacities will be subject to any state limits that are in place at the time of the event. Watch the Hub for updates.
- Contact Jessica Wright to reserve a room for your resident-led activities and to communicate if these activities should be on the weekly activity calendar.
- Gym and pool amenities will operate on a first come, first served basis. There will NOT be a sign-up process for these amenities. However, we are asking residents to arrive at the top of an hour or at half-past and to limit machine use to 30 minutes, unless there are no residents waiting to use the equipment. It is up to the residents who are using or wishing to use the gym and pool facilities to manage capacity limits and appropriate and fair use of these spaces.
- Residents with an email address on file received an email from Aleen Dailey yesterday, April 8, regarding proper use of these spaces. Please call Aleen at 233-0640 with any questions.
- The pool and the HydroWorx pool will be closed for maintenance every Tuesday and Thursday from 3:00 - 4:30 p.m. Please plan accordingly.
- The gyms and pool will re-open with limited capacities:
 - Main Street Gym – Limited to 4 people
 - Garden-Level Gym – Limited to 4 people
 - E-Wing Gym – Limited to 2 people
 - Pool – Limited to 4 people in pool, 5 on deck
 - **Residents may NOT swim alone.** Pool buddies may remain on the pool deck.
 - Locker Rooms – Limited to 2 people
 - NEW Cardio Room/Gym Annex (*see next bullet*) – Limited to 4 people
- To allow residents greater access to workout equipment while also adhering to social distancing and room capacity guidelines, the Line Dancing Room will become an additional workout space. It will house cardio machines, including a treadmill, 2 NuStep machines, and a virtual reality bike.
- Locker rooms will be available for use, including lockers, towels, benches, and showers. Residents must wipe down with the provided sanitizing wipes any equipment they use or touch.
- Residents must sign in at each gym/pool location. Sign-in sheets will be at each entrance.

- Residents should NOT come to activities more than 10 minutes prior to the scheduled start time in order to allow for turnover between events.
- If the limit capacity for your chosen gym/pool is currently at maximum, please return to your home or check another gym location. **Residents should NOT congregate while waiting for amenities.**
- To allow for the greatest amount of flexibility for residents, no equipment will be roped off despite many machines being closer than 6 feet apart. Residents may NOT use equipment that is right next to another machine that is in use by somebody with whom they do not share a household.
- **Masks are still required in Village spaces.** The only exception is for residents who are in the pool.
- Social distancing of at least 6 feet must be respected in gyms and pools, except by those who share a household.
- Residents must wipe down with the provided sanitizing wipes any equipment they use or touch in any gym, pool, or locker room, including any equipment, door handles, etc., before AND after use. Residents must also follow the cleaning checklist in each location.

VILLAGE TREASURES & ENDOWMENT SALES:

- Village Treasures and Endowment Sales may re-open as of April 12, at the discretion of their resident leadership, with limited capacity and masks worn by all parties. Watch the Hub for more information.

We anticipate these changes going well, which will allow us to proceed with our April 19 anticipated re-openings. These re-openings include the Main Dining Room and to-go meals, as well as our library. Watch for more information about these plans to come next week.

MOVING FORWARD

Even if you are fully vaccinated, it remains imperative that you continue to:

- **Inform ILS IMMEDIATELY if you are sick, being tested for COVID-19, have been in direct contact with someone being tested, or think you have been exposed to someone infected with the virus.**
- **Wear a mask** covering your nose and mouth in all shared spaces and when around those who do not share your household;
- **Practice routine and vigorous hand-washing;**
- **Socially distance yourself from others**, including remaining at least 6 feet from others;
- **Inform us of any overnight travel off campus** using the Absence Notification Form on the Hub or by calling the front desk;
- **Report any concerns to ILS immediately**, including requests for neighbor well-checks, health services you may need, etc.;
- **If you are in quarantine, remain at home and not be in public spaces on- or off-campus.** Call ILS for support you require during your quarantine;
- **Stay abreast of campus updates** by tuning in to campus channel 56, monitoring the Hub's "Coronavirus Preparedness" module, and/or visiting www.carolinavillage.com/news/coronavirus-preparedness. Encourage your family and friends to do the same.
- **Be prepared for any situation developments.**

Thank you for your ongoing cooperation. Please watch for situation updates as they occur.
