Carolina Village

Campus Update:
DINING ROOM OPERATIONS
& VACCINE BOOSTERS

Last week, we communicated that there were two COVID-positive residents in Independent Living. Due to this development and continued staffing challenges, **we have made the decision to keep the dining room closed through the month of September.** Meals will remain available through take-out or delivery.

Also, **we are in communications to bring a COVID vaccine booster clinic to Carolina Village**. We do not have details at this time; as soon as we do, we will communicate those details to IL residents and staff.

IT REMAINS IMPERATIVE THAT YOU CONTINUE TO:

- **Be very cautious when around those who do not share your living quarters. Please, for your own safety, do not assume that fully vaccinated individuals cannot acquire COVID.**

- **Inform ILS IMMEDIATELY if you are feeling unwell, showing signs of COVID, or being tested for COVID, <u>even if you have already talked to your primary physician;</u>**

- **Wear a mask** in all shared spaces and when around those who do not share your household;

- **Practice routine and vigorous hand-washing** of at least 30 seconds with soap and warm water;

- **Socially distance yourself from others**, including remaining at least 6 feet from others;

- **Inform us of ANY travel off campus**, using the Absence Notification Form on the Hub or by calling the front desk;

- **Report any concerns to ILS immediately**, including requests for neighbor well-checks, previous visitors who are now COVID-positive, etc.;

- **SAFELY communicate** with neighbors (especially if they are quarantined), family, and friends using telephone, email, social media, etc. Please do not risk your own health.

- **Stay abreast of campus updates** by monitoring the Hub ("Emergency Information >> Coronavirus Preparedness") and *www.carolinavillage.com/news/coronavirus-preparedness*.

- **Be prepared for any situation developments**.

Thank you.

> *Reminder:* **Please watch the virtual Town Hall on channel 56 TODAY, Aug. 31, at 3:00 p.m. or 6:00 p.m. The recording will also be available in the Hub's "Town Hall" module, WHERE VIDEO & SOUND QUALITY ARE MUCH BETTER.**
