

## Coronavirus Response: CAMPUS RE-OPENING PLANS

Our re-opening plans are subject to change, depending on any further developments. That said, we plan to resume normal-but-modified operations as of Monday, January 31, 2022. Please read the following details.

### January 31, 2022

#### **HOUSEKEEPING, MAINTENANCE, I.T., & CONTRACTORS:**

- Housekeeping, non-emergency maintenance, I.T., and contractor services will resume with proper precautions in place, including residents and staff/contractors wearing masks, maintaining 6 feet of distance, and frequent hand washing.

#### **ACTIVITIES & FITNESS AMENITIES:**

- Staff-led and resident-led activities will resume with limited capacities.
- Gym and pool amenities will operate on a first come, first served basis. There will NOT be a sign-up process for these amenities. However, we are asking residents to arrive at the top of an hour or at half-past and to limit machine use to 30 minutes, unless there are no residents waiting to use the equipment. It is up to the residents who are using or wishing to use the gym and pool facilities to manage capacity limits and appropriate and fair use of these spaces.
- The gyms and pool will re-open with limited capacities:
  - Main Street Gym – Limited to 4 people
  - Garden-Level Gym – Limited to 4 people
  - E-Wing Gym – Limited to 2 people
  - Pool – Limited to 4 people in pool, 5 on deck
    - **Residents may NOT swim alone.** Pool buddies may remain on the pool deck.
  - Locker Rooms – Limited to 2 people
  - Line Dancing Room/Cardio Room/Gym Annex – Limited to 4 people
- Locker rooms will be available for use, including lockers, towels, benches, and showers. Residents must wipe down with the provided sanitizing wipes any equipment they use or touch.
- Residents must sign in at each gym/pool location. Sign-in sheets will be at each entrance.
- Residents should NOT come to activities more than 10 minutes prior to the scheduled start time in order to allow for turnover between events.
- If the limit capacity for your chosen gym/pool is currently at maximum, please return to your home or check another gym location. **Residents should NOT congregate while waiting for amenities.**
- **Masks are still required in Village spaces.** The only exception is for residents who are in the pool.
- Social distancing of at least 6 feet must be respected in gyms and pools, except by those who share a household.
- Residents must wipe down with the provided sanitizing wipes any equipment they use or touch in any gym, pool, or locker room, including any equipment, door handles, etc., before AND after use. Residents must also follow the cleaning checklist in each location.

#### **VILLAGE TREASURES & ENDOWMENT SALES:**

- Village Treasures and Endowment Sales may re-open as of January 31, at the discretion of their resident leadership, with masks worn by all parties. Watch the Hub for more information.

#### **MAIN DINING ROOM, TO-GO, AND DELIVERED MEALS:**

- See the latest Dietary newsletter, which is attached, for full details surrounding revised dining operations.
- Masks must be worn in all Village common areas until further notice. Residents may remove masks when they are seated in the dining room only. Residents who wish to get up to speak to residents at other tables must wear a mask to do so; however, it is the responsibility of residents to remind fellow residents of this requirement since staff will be busy serving.

### **HEALTHCARE VISITATION RESTRICTIONS**

Please note that due to increased COVID activity, the following restrictions apply to our healthcare areas:

- **Care Center visitation is restricted.** Before attempting to visit, please contact one of these individuals:
  - For 1<sup>st</sup> floor residents, contact Trisha Meadows (233-0643)
  - For 2<sup>nd</sup> floor residents, contact Larry Cottrell (233-0644).
- Medical Center visitation is not restricted at this time, but this is subject to change. Please contact Karen Crane (233-0614) with any questions about Med Center visitation.

### **MOVING FORWARD**

While we are happy to be looking forward, it remains imperative that you continue to:

- **Inform ILS IMMEDIATELY if you are sick, being tested for COVID-19, have been in direct contact with someone being tested, or think you have been exposed to someone infected with the virus. Stay home, follow up with your doctor, and call ILS** for specific directions regarding your situation.
- **If you are in quarantine, remain at home and not be in public spaces on- or off-campus.** Call ILS for any support you require during your quarantine;
- **Wear a mask** covering your nose and mouth in all shared spaces and when around those who do not share your household;
- **Practice routine and vigorous hand-washing;**
- **Socially distance yourself from others**, including remaining at least 6 feet from others;
- **Inform us of overnight travel off campus** using the Absence Notification Form on the Hub or by calling the front desk;
- **Report any concerns to ILS immediately**, including requests for neighbor well-checks, health services you may need, etc.;
- **Stay abreast of campus updates** by tuning in to campus channel 56, monitoring the Hub's "Coronavirus Preparedness" module, and/or visiting [www.carolinavillage.com/news/coronavirus-preparedness](http://www.carolinavillage.com/news/coronavirus-preparedness). Encourage your family and friends to do the same.

Thank you for your ongoing cooperation. Please watch for situation updates as they occur.
