PISGAH ESSENTIAL PRODUCTS: The Amazon.com of Carolina Village!

We are offering a new opportunity to residents. You can now order essential items and have them delivered to your door. We have created this option so that you can get essential, select items you need *safely*, which is especially important during this time of “social distancing,” as we all strive to protect ourselves and our campus from COVID-19/coronavirus.

Pisgah Essential Products - or “PEP” - is not a physical store location. You place an order from your home and have it delivered to your door.

How do you place an order?

To place an order, contact Morgan Costner at **233-0658** or **mcostner@carolinavillage.com**. Include these details in your order:

- Your Name
- Your Unit Number
- Your Phone Number
- Requested Item Name
- Requested Quantity (Limits may apply)

What items are available?

The items available for order are detailed on the following pages, but substitutions may be necessary. We reserve the right to limit the quantity of items ordered per individual. Items may not be exactly as pictured, but will be as close as possible.

How will you receive your order?

Orders placed by **Fridays at noon** will be delivered to your door the following Wednesday, by 6:00 p.m. This service will be available until further notice.

How will you be billed for your order?

We will inform you of your order total at the time your order is processed. Individual list prices include tax, so you will always know what your order total is when you place your order, unless an item is unavailable. Your order total will be billed to your monthly statement. **Order totals cannot be deducted from your meal plan.**

What if an item is unavailable?

We will do everything in our power to secure items on our list, but availability will depend on our suppliers. We do not guarantee item availability.
